Dear Ms. Douglas:

Responsive to our telephone conversation this morning, I am enclosing a copy of the Notice to File Missing Parts - Filing Date Granted in the above application.

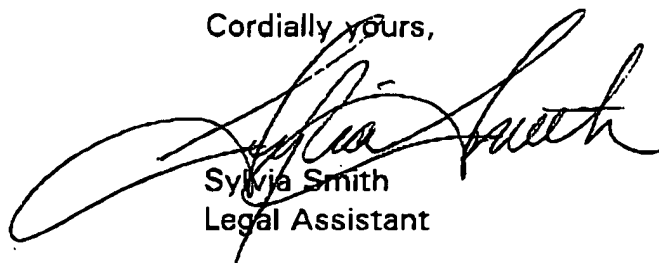

As I explained on the telephone, the filing date was not stated on the Notice and according to 37 C.F.R. §1.5(a), all documents and correspondence sent to the USPTO after the application has been filed must state the serial number and

filing date so that the USPTO will know what application the document or correspondence refers to.

In order to prepare the declaration, the filing date is required. I have been calling the PTO since I received the Notice and that was in April. I respectfully request that a new Notice to File Missing Parts be issued reflecting the official filing date of this application and a new time frame in which to file the declaration and pay the filing fee.

To date, if the present Notice stands, it would be unfair to the applicant in that substantial extension fees may be incurred which would have been avoided if the Notice had stated the filing date.

Cordially yours,

A handwritten signature in black ink, appearing to read 'Sylvia Smith', is written over the typed name and title.
